

Survey of trainees and residents of the medical educational organization

Dear colleagues, you are participants in a survey that is conducted by the accreditation agency in the framework of institutional and/or specialized accreditation. You need to take 5-7 minutes to answer the questionnaire. The results of the survey will be useful in preparing the final report of the External Evaluation Commission and in developing recommendations for improving the main areas of work of the educational organization.

Thank you for your cooperation.

Completion guidelines: check the appropriate boxes with "V" or "+"

1. I am:

a trainee of continuing education programme on (write in the subject)

a resident in (write in your specialty)

2. I will recommend my acquaintances, friends, relatives to study at this educational organization

| | | | | |
|----------------|---------------|----------|-------------------|------------|
| strongly agree | neutral agree | disagree | strongly disagree | no opinion |
|----------------|---------------|----------|-------------------|------------|

| | | | | |
|----------------|-----------|--------------|-------------------|------------|
| very satisfied | satisfied | dissatisfied | very dissatisfied | no opinion |
|----------------|-----------|--------------|-------------------|------------|

5. This educational organization has created facilities for trainees to relax and eat during their lunch breaks and gaps (common room, onsite benches/pavilions, canteen/dining room)

| | | | | |
|----------------|---------------|----------|-------------------|------------|
| strongly agree | neutral agree | disagree | strongly disagree | no opinion |
|----------------|---------------|----------|-------------------|------------|

6. Office equipment (computers, laptops, printers) are available for trainees in study rooms and at training sites

| | | | | |
|----------------|---------------|----------|-------------------|------------|
| strongly agree | neutral agree | disagree | strongly disagree | no opinion |
|----------------|---------------|----------|-------------------|------------|

7. Educators provide trainees with guidance and didactic materials, additional literature to prepare for studies

| | | | | |
|----------------|---------------|----------|-------------------|------------|
| strongly agree | neutral agree | disagree | strongly disagree | no opinion |
|----------------|---------------|----------|-------------------|------------|

8. Library Fund/Resources

| | | | | |
|----------------|-----------|--------------|-------------------|------------|
| very satisfied | satisfied | dissatisfied | very dissatisfied | no opinion |
|----------------|-----------|--------------|-------------------|------------|

9. Access to electronic educational resources

| | | | | |
|----------------|-----------|--------------|-------------------|------------|
| very satisfied | satisfied | dissatisfied | very dissatisfied | no opinion |
|----------------|-----------|--------------|-------------------|------------|

10. Organization of clinical instruction for trainees

| | | | | |
|----------------|-----------|--------------|-------------------|------------|
| very satisfied | satisfied | dissatisfied | very dissatisfied | no opinion |
|----------------|-----------|--------------|-------------------|------------|

11. Satisfaction with teaching methods

| | | | | |
|----------------|-----------|--------------|-------------------|------------|
| very satisfied | satisfied | dissatisfied | very dissatisfied | no opinion |
|----------------|-----------|--------------|-------------------|------------|

12. There is sufficient time for practical training (follow-up of patient, etc.)

| | | | | |
|----------------|---------------|----------|-------------------|------------|
| strongly agree | neutral agree | disagree | strongly disagree | no opinion |
|----------------|---------------|----------|-------------------|------------|

13. I am satisfied with the training schedule

| | | | | |
|----------------|---------------|----------|-------------------|------------|
| strongly agree | neutral agree | disagree | strongly disagree | no opinion |
|----------------|---------------|----------|-------------------|------------|

14. I am satisfied with the methods of assessing my knowledge and skills

| | | | | |
|----------------|---------------|----------|-------------------|------------|
| strongly agree | neutral agree | disagree | strongly disagree | no opinion |
|----------------|---------------|----------|-------------------|------------|

15. Educators use active and interactive teaching methods during training

| | | | | | |
|-----------|-----------|--------|-------------------------|--|------------|
| regularly | sometimes | seldom | I don't know what it is | Educators have never used such methods | no opinion |
|-----------|-----------|--------|-------------------------|--|------------|

16. After training is completed, educators give feedback to you (they listen to your opinion, conduct a mini-questionnaire, error analysis session)

| | | | | |
|-----------|-----------|--------|-------|------------|
| regularly | sometimes | seldom | never | no opinion |
|-----------|-----------|--------|-------|------------|

17. Are you satisfied that you are studying at this educational organization?

| | | | | |
|----------------|-----------|--------------|----------------------------------|------------|
| very satisfied | satisfied | dissatisfied | no, I have learning difficulties | no opinion |
|----------------|-----------|--------------|----------------------------------|------------|

18. In your opinion, does this educational organization allow you acquiring the necessary knowledge and skills in your chosen specialty?

| | | | | |
|-----------------------------|--------------------------------|-----------------------------------|--------------------------------------|---------------------------|
| yes, I am sure that it does | no, I am not sure that it does | I cannot answer this question yet | I would like to believe that it does | I am starting to doubt it |
|-----------------------------|--------------------------------|-----------------------------------|--------------------------------------|---------------------------|

19. Are you satisfied with the teaching?

| | | | |
|----------------|-----------|--------------|------------|
| very satisfied | satisfied | dissatisfied | no opinion |
|----------------|-----------|--------------|------------|

20. What is your opinion on the work of the External Evaluation Commission on the accreditation of this educational organization?

- positive
- neutral
- negative
- no opinion
